Borderline (The Arcadia Project Book 1) Mishell Baker

A cynical, disabled film director with borderline personality disorder gets recruited to join a secret organization that oversees relations between Hollywood and Fairyland in the first book of a new urban fantasy series from debut author Mishell Baker.

A year ago, Millie lost her legs and her filmmaking career in a failed suicide attempt. Just when she's sure the credits have rolled on her life story, she gets a second chance with the Arcadia Project: a secret organization that polices the traffic to and from a parallel reality filled with creatures straight out of myth and fairy tales.

For her first assignment, Millie is tasked with tracking down a missing movie star who also happens to be a nobleman of the Seelie Court. To find him, she'll have to smooth-talk Hollywood power players and uncover the surreal and sometimes terrifying truth behind the glamour of Tinseltown. But stronger forces than just her inner demons are sabotaging her progress, and if she fails to unravel the conspiracy behind the noble's disappearance, not only will she be out on the streets, but the shattering of a centuries-old peace could spark an all-out war between worlds.

No pressure.
