In this sequel to *Doon*, Kenna Reid realizes she made a horrible mistake—choosing to follow her dreams of Broadway instead of staying in the enchanted land of Doon. To make everything worse, she's received her Calling—proof she and Duncan are each other's one true love—and it's pure torment, especially when visions of the very alluring Doonish prince appear right before she goes on stage. So when Duncan tells Kenna that Doon needs her, she doesn't have to think twice. But even if Kenna can defeat the evil threatening to eliminate Doon, her happily ever after may still be in peril.
