Final Fantasy Tactics: Unofficial Final Fantasy Tactics Ultimate Strategy Guide Brett Skogen

Final Fantasy Tactics is a turn-based strategy game for the PlayStation set in the popular Final Fantasy universe. It tells the tale of the War of the Lions from the point of view of a young warrior named Ramza. Good character development, a gripping story, and unpredictable, battle-oriented gameplay ensure that this game will be hugely popular with fans of this best-selling series. Final Fantasy VII is the fastest selling game of all time, and it is expected to sell 2-3 million units over the course of its lifetime. Final Fantasy Tactics, following closely on the heels of this success, is not a sequel but rather a new story that expands the world of Final Fantasy.
