GROL+RADAR book & software Gordon West, WB6NOA

GROL+RADAR book and software package contains the study manual for the new 2009 FCC Commercial Radio Operator / Maintainer License examinations that are mandatory for exams on and after 12/26/2009, along with study software that allows the student to take practice examinations on their PC. A new feature of the software includes the answer explanations from the GROL+RADAR book. If the student answers the question wrong on the software, the correct answer appears along with the Gordon West explanation to reinforce learning. Software is for Windows 98 and higher, including VISTA. GROL+RADAR study manual covers Element 1, Marine Radio Operator Permit (MROP); Element 3, General Radio Telephone Operator License (GROL); and Element 8, Ship RADAR Endorsement. The book is fully illustrated and contains the exact questions and answer choices from the official FCC question pools. Author Gordon West provides an educational answer explanation for each question, telling the reader which answer is correct and discussing why it is correct. GROL+RADAR also is available without the software. See ISBN 9780945053606 for the book only.
