Arlette Poland

A spiritual biography.

"Once upon a time I was a mystery to myself. Actually, I was so much of a mystery I didn't even know I was a mystery to myself, much less probably to others as well.

My life was a merry-go-round that was animated by music I had not consciously named and did not recognize existed. I felt I had no control over my ride that expressed my life nor did I realize the name of the music that controlled the movement of my life."

This book is about how I got my life back.
