The Tiny Potty Training Book: A Simple Guide for Non-coercive Potty Training Andrea Olson

Just 60 years ago, over 92% of American children were potty trained by 18 months. After disposable diapers and the related message to wait for "readiness" hit the scene, American kids are now potty training at about 3 years old, leaving parents wondering: When is it okay to potty train? and How do I do it? The Tiny Potty Training Book answers all of these questions and more, empowering parents with accurate information and step-by-step guidance to potty train with confidence at any age. With this book parents can complete potty training in an average of 7 days, without force, coercion, sticker charts, or bribery. Toddlers 18 months and up will gain mastery and dignity through the swift and gentle method laid out in this book, complete with troubleshooting section and access to private support*. *NOTE: The Reader's Website and Private Support Group are included in this new MULTIMEDIA VERSION. The website will include videos & downloads (forthcoming; in editing process) and the private support group. You will receive lifetime access to these materials via the link found in your book.
