In her candid and insightful *YELLOW EYES GONE WHITE!: An Inspiring Journey of Triumph over Sickle Cell Disease*, Ifueko Fex Ogbomo shares stirring memories of her lifelong struggle against this chronic genetic disorder, and her long awaited 'cure' through her belief in God. After losing her older brother to this same debilitating disease, she was able to find strength in her faith and realize what was required of her in order to achieve the healing.

It is the author's hope that her story will educate the reader about this disease, but more importantly, that those suffering this affliction might come to an understanding of God's love and healing power. To quote the author, "...no matter what difficulties they may face, absolutely nothing is impossible for anyone who will dare to believe God's Word."
