Here are thirty stories that will keep the pages turning. Everything from a person who has the sexual organs of both genders to someone who wakes up in the grave after having been declared dead can be found. The stories are an enjoyable and varied compilation that includes humor, satire, and deadly serious exploration of human nature. Some of the stories have appeared elsewhere, but not in this format. "A well-written collection of short stories like chimes on a summer's day or that first cup of coffee in the morning" writes one esteemed book reviewer. "You won't want to put it down" says another respected book reviewer. "A charming study of human society, very entertaining" a reviewer wrote. You might as well see for yourself what all the fuss is about. "You won't be disappointed" promises a well-respected book reviewer.
