Gentle On My Mind: (A Caribou Crossing Romance) Susan Fox

"You can't go wrong picking up a Susan Fox book." --*Romance Reviews Today*

In her latest contemporary romance, Susan Fox welcomes readers back to Caribou Crossing, the ruggedly sexy Western town that seems made for starting over. . .

Brooke Kincaid knows second chances don't come cheap. She's spent five years repairing past mistakes and making her life in Caribou Crossing steady and predictable. But now a stranger's Harley has shattered her fence and her peace of mind in one swoop. Brooke is drawn to everything about wounded undercover cop Jake Brannon--his raw masculinity, his tenderness, and the undisguised desire that makes her feel more alive than she's ever been.

By rights, Brooke should curse Jake for complicating her life. Instead she's offered him a place to heal and a cover story as he searches for a wanted man. Jake knows she's vulnerable, but she's also strong, kind, and hotter than hellfire. It's a combination that could make even a die-hard loner long to put up his boots and put down roots at last, and show her just how good a second chance can get. . .

"Smart, sexy, funny and touching. I loved this book!" --Susan Wiggs on *Home on the Range*
