Quicklet on Animal Farm by George Orwell (CliffNotes-like Book Summary) Steve Middendorp

Hi readers!

We recently underwent an overhaul of our Quicklets to focus on commentary, analysis, and criticism from our expert writing team.

In addition, our Quicklets include an overall summary, brief chapter summaries, a description of key characters and themes, fun trivia, and a selection of great online readings.

Thanks!

Quicklets: Your Reading Sidekick!

Never read a book alone again! Supercharge your reading with Quicklets.

Quicklets are jam-packed with information like those notes you totally copied off that geeky kid you knew back in high school.

But they're not boring like other study guides. They keep you entertained AND informed.

You can conquer any book with your trusty sidekick. We've got your back :)

Quicklets: Your Reading Sidekick!

George Orwell (1903-1950) was born as Eric Blair in Motihari, Bengal. Along with *Animal Farm*, *1984* is among Orwell's most popular works. Before he wrote either of these novels, Orwell supported himself as a book reviewer and journalist. Orwell lived through the Spanish Civil War, which was the inspiration for many of his politically-charged works.

1984 is another book about a totalitarian government. The book was originally published in 1949 as a look into the future to the year 1984. The strength of *Animal Farm* and *1984* have attributed to Orwell's worldwide success as a political satirist more than 60 years after his death.

Animal Farm was translated into a 1954 animated film. In 1999 it was filmed as a live action feature starring Patrick Stewart and Kelsey Grammar as the voices for Napoleon and Snowball. Pink Floyd released an album in 1977 titled *Animals*. The themes from *Animal Farm* were used for this Pink Floyd album. The songs classify people as pigs, dogs or sheep.

The book has been translated into several languages including Hungarian, Russian, Serbian and Ukrainian. It has sold more than 20 Million copies worldwide. Time Magazine included *Animal Farm* on a top 100 list of

books between 1923 and 2005. Modern Library created a list of the best novels in the 20th century and included *Animal Farm* at 31st. *Animal Farm* received a Hugo award in 1996, which was 50 years after it was originally published.

BOOK EXCERPT

From the Overall Summary:

Animals have the power to conspire, plan and form a revolution against the master species of human beings in George Orwell's *Animal Farm*. Orwell takes you through the process of the animals creating a set of rules and commandments for all animals to abide by. They appropriately title their new system Animalism.

The animals stress that they are all created equal. The smartest, most engaging speakers begin to lead the meetings. These are the pigs. Many of the other animals are not smart enough to follow the reasoning behind decisions being made. Nobody has the knowledge or power to stand up to the pigs. Laws are adapted to increase their power with no consideration for the other classes of animals.

The dogs watch over the pigs. They make sure that if other animals are smart enough to recognize the injustices, they are not willing to stand up to the pigs. The sheep are the mindless followers. They will believe anything they are told.

As the narrative progresses, Orwell illustrates the various classes that exist on the farm as well as their ongoing roles. Pigs, dogs, sheep and horses all have their respective place on the farm. The result of Orwell's *Animal Farm* is a satire of human civilization, sociology and government.
