The bestselling Belador series returns with major surprises in book 7.

Immortals fear little ... except a secret in the wrong hands.

As Tzader Burke searches for a way to save Brina of Treoir's failing memories, he discovers someone who can help her if he is willing to sneak into the heart of his enemy's stronghold—TÅµr Medb. He'll do anything to protect the woman he loves from becoming a mindless empty shell, but his decision could be the catalyst for an apocalyptic war. The deeper he digs for the truth, the more lies he uncovers that shake the very foundation of being a Belador and the future of his clan. While battling on every front, a secret is exposed that two immortal powers have spent thousands of years keeping buried. Tzader and his team have no choice but to fight for what they believe in, because the world as they know it is never going to be the same again.
