The Gigantic Turnip Lit Kit: Literacy-Based Intervention Materials for Speech-Language Therapy

Dr. Ellen S Kester Ph.D.

Rapidly improve how children understand, organize and share information that they have learned. There is a reality to working as an educational professional that our materials must reflect. We serve large, diverse populations and our materials must be able to address multiple goals for children who come from diverse backgrounds and different socio-economic statuses. Daunting isn't it? This is why we have become huge proponents of literacy-based intervention and have built this Lit Kit. We only incorporate materials that meet the following criteria. All activities found in this Lit Kit are designed to be quickly referenced and readily available on your computer for easy printing or copying. The books can be used to work on a wide range of skills simultaneously. Group teaching and intervention is our reality and our materials need to reflect this. It is a goldmine for those who are short on time. Easily address goals that include: naming and describing nouns and verbs, vocabulary development, sentence expansion, story sequencing, "wh" question comprehension, and following directions. A Lit Kit is a compilation of materials that address a variety of communication, academic, and literacy goals within the context of a book or story. We have been studying literacy-based intervention for the better part of a decade, have given numerous presentations, written papers, and have created a plethora of our own activities to use with our favorite stories. Most importantly, we have spoken with YOU to gain ideas, insight, and inspiration. We have heard the requests for these materials to be readily available to speech-language pathologists and educators across the country, and are now responding to your needs. The development of this Lit Kit stemmed from teamwork, collaboration, feedback, and commitments to create effective therapy materials that can be easily implemented and utilized (especially with the busiest of workloads and schedules). This LitKit was designed to be used with the folktale "The Gigantic Turnip." The activities and blank templates can be adapted to all of your favorite books.
