A Religious History of the American People

Sydney E. Ahlstrom

A Religious History of the American People Sydney E. Ahlstrom

This classic work, winner of the 1973 National Book Award in Philosophy and Religion and *Christian Century's* choice as the Religious Book of the Decade (1979), is now issued with a new chapter by noted religious historian David Hall, who carries the story of American religious history forward to the present day.

Praise for the earlier edition:

“An unusual and praiseworthy book. . . . It takes a modern, almost anthropological view of history, in which worship is a part of a web of culture along with play, love, dress, and language.”—B.A. Weisberger, *Washington Post Book World*

“The most detailed, most polished of the works in its tradition.”—Martin E. Marty, *New York Times Book Review*

“An intellectual delight that one does not so much read as savor.”—*America*

“The definitive one-volume study by the leading authority.”—*Christianity Today*

“No one writing or thinking hereafter about America’s past will be able to ignore Ahlstrom’s magisterial account of the religious element.”—*American Historical Review*
