*He was a season away from a peaceful life until fate stepped in...*

Andrei is the jokester. The one no one takes seriously. The one who is darker than anyone could've imagined. He spent years hiding behind a wall of humor and bitterness. In spite of his personal issues, Andrei is always willing to help out a friend.

*Handing Andrei a walking disaster...*

In his final year of playing for the Red Zones, one of Andrei's oldest friends, Kieran Steele, owner of *Leagues Today*, offers him the opportunity of a lifetime in exchange for keeping the man's younger brother, Gannon, safe.

*Wrapped in the most delicious paper Andrei has ever seen.*

When Gannon's life is threatened, Andrei steps in, holding up his end of the bargain. He never expected his actions would land him a love he'd kill to keep and force him to expose the broken man inside he's kept hidden for too long.
