Here is a book for the lighter side of married life and one that is guaranteed to evoke laughter. Charlie Chaplin said "a day without laughter is a wasted day." We don't want to waste a single minute, much less a day, so here we go. For the past three decades, Dr. Ray and Carol have accumulated a cache of marriage and relational jokes that resonate with the massive majority of couples. The uniqueness of this Marriage Humor book is not only the 200+ side-splitting and knee-slapping laughter quotes, but each quote is accompanied by a personalized picture that makes the laughter even more vivid and intense.

Laughter is an instant vacation. Laughter is the shortest distance between two people. Studies show that smiling (and laughing) has tremendous health benefits. Research details how serotonin and endorphins (feel good brain chemicals) are released with laughter. Other studies correlate longevity with smiling, finding that the biggest 'smilers' tended to live the longest, by up to 7 years (and they enjoyed those years more too!) Consider increasing your output of smiles and laughs to improve your health, and probably the world's health as well!"
