Michelin Green Guide Dordogne Berry Limousin, 5e (Green Guide/Michelin) Michelin

Respected cultural travel guides featuring Michelin stars and tours. This completely revised new edition features the best of Dordogne, Berry and Limousin. The regions described include some of the most and some of the least visited areas in France. The Dordogne and increasingly the Quercy, are characterized by castles and caves and are well known to visitors. The Berry and Limousin with their unspoiled verdant countryside and plateaux are much less familiar. Tours, maps, full-color photos, illustrations and plenty of new content help you to explore the region, while Michelin's celebrated star-rating system and respected maps make sure you see the best on offer from the prehistory of Prigord Noir to the wine growing region of the northern Berry and the crisp white wines of Sancerre.

Use with Michelin Road Map No. 329.
