The Affair

Colette Freedman

The Affair Colette Freedman

After eighteen years of marriage, Kathy Walker has settled into a pattern of comfortable routines--ferrying her two teenagers between soccer practice and piano lessons, running a film production business with her husband, Robert, and taking care of the beautiful Boston home they share. Then one day, Kathy discovers a suspicious number on her husband's phone. Six years before, Kathy accused Robert of infidelity--a charge he vehemently denied--and almost destroyed their marriage in the process.

Now Kathy must decide whether to follow her suspicions at the risk of losing everything, or trust the man with whom she's entwined her past, present, and future. As she grapples with that choice, she is confronted with surprising truths not just about her relationship, but about her friends, family, and her own motivations.

Skillfully crafted and deeply insightful, *The Affair* sensitively explores the complexities of love and the challenge of ever knowing another person fully, even as we endeavor to understand our own deepest longings.

From reader reviews:

Patrick Sherman:

Book is to be different for each and every grade. Book for children right up until adult are different content. We all know that that book is very important for us. The book The Affair was making you to know about other information and of course you can take more information. It is rather advantages for you. The reserve The Affair is not only giving you far more new information but also being your friend when you sense bored. You can spend your spend time to read your publication. Try to make relationship using the book The Affair. You never sense lose out for everything if you read some books.

Boris Hansen:

Your reading 6th sense will not betray an individual, why because this The Affair guide written by well-known writer who knows well how to make book that can be understand by anyone who have read the book. Written inside good manner for you, leaking every ideas and creating skill only for eliminate your hunger then you still skepticism The Affair as good book but not only by the cover but also from the content. This is one book that can break don't judge book by its cover, so do you still needing an additional sixth sense to pick this particular!?! Oh come on your studying sixth sense already said so why you have to listening to a different sixth sense.

Timothy Lumpkin:

This The Affair is great guide for you because the content which can be full of information for you who also always deal with world and get to make decision every minute. That book reveal it data accurately using great plan word or we can state no rambling sentences included. So if you are read this hurriedly you can have whole info in it. Doesn't mean it only provides straight forward sentences but hard core information with beautiful delivering sentences. Having The Affair in your hand like keeping the world in your arm, info in it is not ridiculous a single. We can say that no guide that offer you world within ten or fifteen minute right but this guide already do that. So , this is good reading book. Hi Mr. and Mrs. active do you still doubt that will?

Chad Steinberger:

Beside this specific The Affair in your phone, it could give you a way to get nearer to the new knowledge or details. The information and the knowledge you might got here is fresh in the oven so don't become worry if you feel like an previous people live in narrow town. It is good thing to have The Affair because this book offers for your requirements readable information. Do you often have book but you rarely get what it's about. Oh come on, that will not end up to happen if you have this in the hand. The Enjoyable option here cannot be questionable, like treasuring beautiful island. Techniques you still want to miss the idea? Find this book along with read it from now!
