****A USA TODAY BEST-SELLING NOVEL****

MacKenzie Cahill has dealt with overbearing and overprotective brothers her entire life, making it near impossible to enjoy her teenage years. Having a boyfriend was practically impossible until she met a guy that wasn't afraid to stand up to them - Dominic. He was sweet, thoughtful, and everything MacKenzie ever wanted in a man.

But when they go away to college at Old Dominion University, MacKenzie sees a whole new side of Dominic and begins to wonder if he really is different from every other guy.

Her world is turned upside down after a party, and her brothers' best friend Hunter is the one there to offer her a shoulder to cry on. The chemistry between them is electric, and feelings for each other that have been hidden for years are finally voiced.

Is Hunter willing to be disloyal to his best friends in order to be with the one girl he's always secretly wanted?
