#### **Thomas Heiden:**

As a student exactly feel bored to reading. If their teacher expected them to go to the library in order to make summary for some e-book, they are complained. Just very little students that has reading's internal or real their passion. They just do what the educator want, like asked to the library. They go to there but nothing reading significantly. Any students feel that looking at is not important, boring as well as can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for you personally. As we know that on this period, many ways to get whatever you want. Likewise word says, ways to reach Chinese's

country. Therefore this World history book list for high schools : a selection for supplementary reading can make you really feel more interested to read.
