Battle Mage: Winds of Change (The High King: A Tale of Alus Book 11) Donald Wigboldy

Sebastian, a battle mage, had been turning his corps on its ear for over a year discovering a new magic and weapons. It was all in an effort to make his mage corps more powerful to join the wizards, with their greater magic, and the soldiers of Southwall to stop the Dark Emperor's forces once and for all. Unfortunately even as he worked to change his world for the better, new problems arose.

The Dark One had chosen to take the land of Southwall's allies drawing Sebastian and the other forces of Southwall into a new war for control; but that wasn't enough for the greedy dark lord from the north. Unrest ran through the southern cities of Southwall as spies pushed for separation from their king and his guardian cities protecting North Wall, the defensive wall built from one side of the kingdom to the other to keep the armies of the emperor trapped in the north.

An attack on North Wall also proves that the Dark One isn't through with Southwall either. Sebastian continues to work to find new weapons and magic for the fight to prevent their enemies from destroying Southwall and its allies, even as new challenges continue in his personal life. He has a wizard for a younger sister, whose power nearly ran wild, a lightning wilder for a girlfriend, who refuses to be ignored, and a team that is slowly being pulled apart. Worse yet, his childhood bully, Magnus, has returned to his life challenging him as a rival when there are more important things going on in the battle mage's world.

Battle Mage: Winds of Change is the next chapter about the battle mage era of the Tales of Alus series as war continues to escalate for control of the world of Alus.
