Imperfekt Tab Edwards

With "Imperfekt," author and critical thinker Tab Edwards delivers a compelling, provocative yet practical guide for being the best that we can be at whatever our pursuit. Perfection suggests flawlessness, a state that can neither be improved nor exceeded. This is a standard unmet by any person, place, or thing, which means that no person or thing is or can be perfect. Although we can never achieve true perfection, we can, however, fulfill our potential and become our best selves possible; becoming the best that we can be at whatever our pursuit. Therein lays "our perfection." The journey starts here.
