## **Singed (Berta Series) (Volume 2)** R T Plasket

In the second installment of the Berta Series, we find Berta on a second date with her brother's older friend Tom, after the first date turned out to be every girl's perfect dream. "Handsome man, Cadillac, and dinner date. Photo, flowers, and dancing. No hassle at my front door." Is Tom her Prince Charming or is he too good to be true? Berta enjoys a strong sense of pride in her honesty and truthfulness until someone asks the wrong question. Her response is true enough, although completely unrelated to the subject at hand. In essence, her answer is meant to deceive and is therefore a lie by omission and misdirection, a lie designed to protect her reputation and, more importantly, to shield her from confronting the deep dark secret she can't talk about. What will she do when her lie leads to an unexpected marriage proposal? This easy read captures the complex feelings brought on by questions fomenting when Berta enters the arena of adult drama. Hellish heartaches and secrets skulk in the shadows. Questions, never shared, linger on her bitten tongue until she recognizes answers in her own words, words that bulldoze all happiness for this young and gullible new bride. "He lied!" Will another lie undo the damage?
