The Burlesque Adventures of the Lustful Earl Lavender (Love and Lust Adventure Fiction Books for Couples Book 1) Kindle Romance Love-Story, John Davidson

The Burlesque Adventures of the Lustful Earl Lavender is a sexually provocative, controversial work of classic erotic literature. These previously banned (but secretly best selling) erotic novels and sex stories are elegantly written, lustfully wicked, and beautifully illustrated with vintage erotic art photographs and Victorian 'porn' pictures. Arouse and excite your sexual desires and fetish fantasies with these hot sexy tales of seduction, romance and lascivious lust!

From the book:

"They were taken into the Whipping Room. Lord Brumm, at the sight of the two tall young women armed with whips, cried,

'No, no ! I won't have it - '

He got no further with his protest, for he was instantly gagged, his hands and feet tied, and his robe thrown from his shoulders. Then one of the women, with a laughing face and a roguish eye, laid twelve lashes on his back.

Earl Lavender, without waiting for instructions, bared his shoulders, clasped his hands on his breast and stood still. The second woman, who possessed great beauty, at once inflicted with sufficient vigour a dozen lashes. His fair chastiser approved of his conduct with a charming smile, and having handed him the whip, exposed her own back. Lightly Earl Lavender brought down the scourge. How could he score the soft white shoulders of this beautiful woman! But she turned to him and said, 'Do not spare me. Put forth your strength, or I will leave you.'

Convinced of the lady's sincerity, Earl Lavender then laid on lustily, and was astonished to find what enjoyable work it was."

ABOUT THE PUBLISHER: EROTIC EVOLUTION E-BOOKS

(Publishers of Classic Erotic Literature and Love Stories - Fully Illustrated with Nude Art Photography)

Erotic Evolution publish quality erotic sex stories for Kindle eBooks. After reviewing several hundred famous romance and Victorian erotic novels (previous bestsellers and banned books) we have selected the best erotic sex stories based on the sexual content, character and story development, quality of erotic literature and types of sex scenes (they are clearly connected - sex is better when the stories and characters are 'real').

We publish provocative 'hardcore' sex in literature (previously classified as pornography and banned) simply because this reflects the truth of our sexual evolution - sex is central to our existence and connects back to our primitive wild animal instincts. We can creatively cultivate our sexuality to be moral and beautiful - but also hot, sexy and smutty - to make the most of our primitive passions of love and lust, pleasure and pain! Reading quality erotic books cultivates the sexual side of our mind, enhances our sexual lust, and adds spice and variety to our sex lives, thus we think you will love our collection of sexually provocative erotic fiction and sex stories - in thought and action.

"The true man wants two things: danger and play. For that reason he wants woman, as the most dangerous

plaything." (Friedrich Nietzsche)

"It is not enough to conquer; one must know how to seduce." (Voltaire)

"Desire is the essence of a man." (Spinoza)

The Burlesque Adventures of the Lustful Earl Lavender is beautifully illustrated with provocatively sexual erotic art (for guys and girls) and has been carefully hand formatted for Kindle e-books (with linked table of contents).

We have also included three excellent essays on the biological and cultural evolution of human sexuality - how we can use this knowledge to enhance our sexual relations (i.e. the art and science of sizzling hot sex!).
