## **Japanese English Dictionary 16th Ed. (Japanese Edition)** Jean-Christian Imbeault

Japanese to English dictionary for the Kindle Paperwhite and for iOS (iPad and iPhone). This dictionary works with the Kindle's built-in search feature for looking up of words directly from your Kindle books while reading. (Please note that the dictionary has not been tested on the Kindle Fire or Kindle for Android. It may work or it may not)

After a massive rewrite of the underlying structure of the dictionary I am proud to offer what I believe is one of the best Japanese to English dictionaries for the Kindle.

This dictionary has:

Over 170,000 entries

More than 28,000 example sentences

Hiragana readings for all entries

Allows searching by kanji or hiragana/katakana

Can be set as a default Japanese dictionary, enabling automatic text look-up from within a Kindle book, as you read.

Entries with cross-references include links for easy navigation within the dictionary

Words with antonyms contain a link to the corresponding dictionary entry

Dictionary entries with alternative 'spellings' (more than one possible writing in kanji or kana) can be found using any of the alternatives spellings

Loan words display the source word and language (over 2300 entries)

Includes regional/dialect expressions

Antonyms contain links to each other for easy navigation/lookup

What's new in the 14th edition

New section that lists all the abbreviations used in the dictionary and their meaning

When looking up a word in the dictionary if users select (highlight) a dictionary abbreviation, the meaning of the abbreviation will pop-up

Notes on usage with Kindle Paperwhite

Searching for words while reading a Japanese book will work as-is if you set this dictionary to be the default dictionary to use for Japanese books. To set this dictionary as the default got to Settings > Device Options > Language and Dictionaries > Dictionaries > Japanese and select this dictionary.

If you wish to use the Paperwhite's search box function (the magnifying glass icon) to search the dictionary outside of reading a book you must set your Kindle Paperwhite's language to be Japanese (Settings > Device Options > Language and Dictionaries > Language > Japanese). The search box (magnifying glass) is limited - it can only search dictionaries that are in the same source language as the currently set language.

### **From reader reviews:**

#### **Tyrone Knudson:**

Do you have favorite book? If you have, what is your favorite's book? E-book is very important thing for us to learn everything in the world. Each book has different aim as well as goal; it means that e-book has different type. Some people really feel enjoy to spend their time to read a book. They are reading whatever they take because their hobby is actually reading a book. What about the person who don't like reading a book? Sometime, man or woman feel need book after they found difficult problem or even exercise. Well, probably you'll have this Japanese English Dictionary 16th Ed. (Japanese Edition).

#### **Timothy Williams:**

Reading a e-book tends to be new life style on this era globalization. With looking at you can get a lot of information that could give you benefit in your life. Using book everyone in this world can share their idea. Books can also inspire a lot of people. A great deal of author can inspire their reader with their story as well as their experience. Not only the storyline that share in the books. But also they write about the data about something that you need case in point. How to get the good score toefl, or how to teach your sons or daughters, there are many kinds of book which exist now. The authors on earth always try to improve their skill in writing, they also doing some investigation before they write to their book. One of them is this Japanese English Dictionary 16th Ed. (Japanese Edition).

#### **Jason Buckley:**

A lot of people always spent all their free time to vacation as well as go to the outside with them friends and family or their friend. Did you know? Many a lot of people spent these people free time just watching TV, or playing video games all day long. In order to try to find a new activity that is look different you can read some sort of book. It is really fun for you personally. If you enjoy the book that you just read you can spent all day long to reading a reserve. The book Japanese English Dictionary 16th Ed. (Japanese Edition) it doesn't matter what good to read. There are a lot of those who recommended this book. These folks were enjoying reading this book. In the event you did not have enough space to deliver this book you can buy typically the e-book. You can m0ore simply to read this book out of your smart phone. The price is not too costly but this book features high quality.

#### **Ian Sharpless:**

Are you kind of occupied person, only have 10 or 15 minute in your day time to upgrading your mind skill or thinking skill perhaps analytical thinking? Then you are receiving problem with the book as compared to can satisfy your short time to read it because this all time you only find book that need more time to be read. Japanese English Dictionary 16th Ed. (Japanese Edition) can be your answer given it can be read by a person who have those short extra time problems.
