Over 50 discussion questions and activities, and hundreds of questions, fill this comprehensive workbook. The book covers science, math and social science for second grade. If you are homeschooling (or if you are just trying to get extra practice for your child), then you already know that social science workbooks and curriculum can be expensive. Homeschool Brew is trying to change that! We have teamed with teachers and parents to create books for prices parents can afford. We believe education shouldn't be expensive. Each subject may also be purchased individually.
