The Visual Arts: A History Hugh Honour, John Fleming

For over a quarter of a century this art historical *tour de force* has consistently proved the classic introduction to humankind's artistic heritage. From our Paleolithic past to our digitised present, every continent and culture is covered in an articulate and well-balanced discussion--a broad and epic canvas that omits none of the fine detail. In this Revised Seventh Edition, contemporary art historian Michael Archer has brought the account of contemporary art up to date, reflecting the latest developments that continue to shape out cultural history.
