**Your Soul's Calling: Answering the Question "Why Am I Here?" (Your Calling) (Volume 2)** Nancy Canning

What does your soul want you to know? Within each and every one of us is an urging – a calling – of how to be and what to do in this lifetime. And yet, this calling can be illusive. You may be wondering, “Am I on my right spiritual path and fulfilling my life purpose? Am I being and doing what I planned for this life?” This unique book helps you look at your life from your soul’s perspective. Utilizing insights from clients’ past life and afterlife hypnosis sessions, you have a clear road map and necessary tools for understanding your own life purpose. The good news is this: Your soul has a magnificent memory. It remembers details of your past lives, what you do in between your lives, and even more importantly, the agreements and plans you made for this life. You can look at your life – all its ups and downs – from your soul’s perspective so that it all makes sense. You can understand the underlying meaning and purpose of your current life. This book guides you to:

- Learn how your soul communicates with you
- Look deeply at your life and discern your purpose
- Discover how intuition and guidance show up in your life
- Differentiate between the voice of your soul and the voice of your ego
- Remember what you decided to learn in this life – before you were born
- Realize how your past lives are influencing your current life and its lessons
- Ensure that at the end of your life, you will tell yourself: “life well lived, great job!”

Nancy Canning is an expert in transforming patterns of behavior, and in the spiritual journey into past lives and the afterlife. She brings 35 years of work with clients into this book to help you understand your life from a higher perspective. You are given the opportunity to look into the ordinary, and not so ordinary, lives of clients. You witness their past lives and you hear the words of wisdom from their Guides and Spiritual Council of Elders in the afterlife. This gives you a front row seat to understanding how everything in their lives makes sense – and how to apply this perspective to your life as well. You can use the many tools and techniques described to discern your life lessons, your purpose, and most of all, how your soul is calling to you. From the Foreword, Bob Olson, author of *Answers About the Afterlife: A Private Investigator’s 15-Year Research Unlocks the Mysteries of Life After Death*, writes: “Nancy has taken the wisdom she’s gained from working with clients and having her own sacred experiences to help you discover your own soul’s purpose for being here. The result is this life-changing manual of life and purpose that I wish was available to me when I still felt lost and wandering without a sense of direction in my life. Whether you are just beginning your spiritual voyage or wanting to build upon years of insight and experience, you can expect many ‘Aha!’ moments while reading this book. I learned new truths and gained new tools from it, and I was also reminded of knowledge that I had previously learned but somehow forgotten. I have already utilized this book’s teachings in unexpected and valuable ways. I hope you share the same experience and allow the teachings within to expand and illuminate your life.”
