#### Born to Be Wild Barry Bowe

A distinct line exists between right and wrong. Some people never dream of crossing that line. Others cross it willingly . . . At nineteen, Bobby Nauss joins the Warlocks Motorcycle Gang and plunges into a life of crime. At 2:30 a.m. on December 12, 1971, he has sex with his girlfriend. At 3 a.m. he kills her and disposes of her body. As time passes, four teenaged girls are kidnapped, raped, and murdered. Because their bodies are found in or around the Tinicum Marsh, they become known as "The Marsh Murders." The victims share three things in common - sex, drugs, and an association with members of the Warlocks. It takes the mobilization and galvanization of local, county, state, and federal law enforcement agencies across the country to deal with the outlaw bikers and determine who did what, where, and when. Born to Be Wild is a true story of rape, murder, and deception. The book drags you into the misogynistic world of outlaw motorcycle gangs, places you behind prison bars, and pins a badge on your chest to pursue the bad guys. Justice takes twenty years to reach Bobby Nauss.
