## **Married to the Bad Boy** Vanessa Waltz

No one in their right mind marries a bad boy... I'm a player. A man whore. Whatever the hell you want to call it, I get around. During the day I crack heads and extort businesses. At night I find girls to f\*ck. I live to hear them moan for me, but one night is all they get. No one ever made me want more. Until her. Elena. The moment her lips wrapped around me, I was done. All day I think about running my tongue all over those curves. Too bad those curves are off limits. She's running from a man who will kill me for touching her. Well, she's tired of running and needs my help. She thinks I'm doing it for money. I'm doing it to make her mine. Note: This 82,000-word standalone mafia romance novel contains mature themes and situations that might make some readers uncomfortable. This is the first book in the Cravotta Crime Family saga, but it is a standalone novel.
