Neurology Residency Match Selection Criteria and Programs Requirements: A must-read book for residency applicants Match A Doc, Residency Guide

This book is the must-read book and most single important piece you buy in your battle for residency. This is the Neurology Residency Match Selection Criteria and Programs Requirements book that contains up-to-date information about all the programs in the United States for both AMGs and IMGs. Why this book is essential to match? It has been shown that applying to programs that you don't match their minimum criteria is just waste of money and time. It is very important that you apply to those programs that you meet their requirements and this why we decided to make your life easier by gathering the information you need in one book. The information was gathered from program directors, coordinators, chiefs, faculty and residents. It includes Programs names, Programs codes, States, Addresses, Phones, Faxes, Percentage of IMGs in the programs, Minimum USMLE Step 1 and Step 2 Score Requirements, Attempts on any step, CS requirement at time of application, USCE Requirements, Cut-Off time since graduation, Programs offering couple match and Visas Sponsored or accepted. We have more than 10 years experience in the match field and our book is the proof that will help you to get the highest number of interviews to increase your chances in the match journey.
