Organizate con eficacia (Spanish Edition) David Allen

Los principios del liderazgo son tan simples que se nos han olvidado por completo. Confundimos la autoridad con el poder y el respeto con el miedo, lo que lleva a unas relaciones tensas y recelosas entre jefes y subordinados, y a un triste resultado: cuando un equipo trabaja para contentar al jefe, quien se ocupa realmente del trabajo? Este libro nos enseña que dirigir consiste, paradójicamente, en servir a los demás, porque un buen líder está pendiente de sus subordinados para atender a sus legítimas necesidades, ayudarles a cumplir sus aspiraciones y aprovechar sus capacidades al máximo. Una reflexión inteligente sobre la responsabilidad moral que implica dirigir que ha servido de inspiración a numerosos directivos norteamericanos. / Getting Things Done offers a complete system for downloading all those free-floating gotta-do's clogging your brain into a sophisticated framework of files and action lists--all purportedly to free your mind to focus on whatever you're working on. However, it still operates from the decidedly Western notion that if we could just get really, really organized, we could turn ourselves into 24/7 productivity machines.
