The Four Horsemen - An International Thriller Ben Sussman

From bestselling author Ben Sussman comes a pulse-pounding international adventure that will keep you guessing until the very last page...

THE FOUR HORSEMEN is a race-against-the-clock thriller featuring Andie Sullivan. As the world's only "culturalist," Andie is employed by corporations and wealthy individuals to break through the barriers with any culture around the globe. Now, she faces the most challenging and dangerous assignment of her career.

Hired by a ruthless businessman to infiltrate the mysterious tribe who serve as the protectors of the Four Horsemen's ancient secret, Andie is plunged into a mysterious world where every answer only opens the door to more questions. With a shadowy government force and a brutal terrorist also vying for the Horsemen's unfathomable power, Andie and her makeshift team must collect them all and unlock their mysteries before time runs out.

Reader praise for THE FOUR HORSEMEN:

"Sussman is one of those authors that leaves you wanting the next book and when it comes you grab it and read and then start counting the days until the next one is released. READ THIS BOOK!!!!!!"

"Beautiful locations, interesting characters and supernatural legends all combine for a fun read!"

"A powerful and vivid read which grows stronger with every turn of the page!"

Reader praise for INTERNAL THREAT:

"This is a terrific, blazing read that kept me interested from start to finish. A great follow-up to his excellent Four Horsemen novel. Highly recommend!"

"This is an excellent story. The pace never slows down and I had trouble putting this book down. I wanted to read the entire thing in one sitting. You have got to read this!"

"Ben Sussman has written another must read book. I loved it....what a great story-teller!"

From reader reviews:

Matthew Venegas:

What do you ponder on book? It is just for students because they're still students or that for all people in the world, the particular best subject for that? Just simply you can be answered for that question above. Every person has different personality and hobby for every single other. Don't to be compelled someone or something that they don't need do that. You must know how great as well as important the book The Four Horsemen - An International Thriller. All type of book can you see on many solutions. You can look for the internet methods or other social media.

John Bennett:

Nowadays reading books be a little more than want or need but also become a life style. This reading addiction give you lot of advantages. The benefits you got of course the knowledge the particular information inside the book that will improve your knowledge and information. The information you get based on what kind of guide you read, if you want have more knowledge just go with education and learning books but if you want experience happy read one using theme for entertaining for instance comic or novel. The The Four Horsemen - An International Thriller is kind of reserve which is giving the reader erratic experience.

Samuel Tapp:

Information is provisions for people to get better life, information currently can get by anyone on everywhere. The information can be a expertise or any news even an issue. What people must be consider while those information which is inside the former life are difficult to be find than now is taking seriously which one works to believe or which one the resource are convinced. If you have the unstable resource then you understand it as your main information there will be huge disadvantage for you. All those possibilities will not happen throughout you if you take The Four Horsemen - An International Thriller as the daily resource information.

Dixie Jones:

Your reading 6th sense will not betray you actually, why because this The Four Horsemen - An International Thriller reserve written by well-known writer we are excited for well how to make book which might be understand by anyone who else read the book. Written inside good manner for you, still dripping wet every ideas and composing skill only for eliminate your personal hunger then you still skepticism The Four Horsemen - An International Thriller as good book not merely by the cover but also by content. This is one publication that can break don't evaluate book by its deal with, so do you still needing an additional sixth sense to pick this kind of!? Oh come on your studying sixth sense already told you so why you have to listening to a different sixth sense.
