Tidewater: A Novel Libbie Hawker

A clash of desire and hatred, of friendship and fear, of stark ambition and desperate survival.

In 1607, three ships arrive on the coast of Virginia to establish Jamestown Colony. Their only hope of survival lies with the Powhatan tribe. John Smith knows this. He knows, too, that the Powhatans would rather see the English starve to death than yield their homeland to invaders. In the midst of this struggle, Pocahontas, the daughter of the great chief, forges an unlikely friendship with Smith. Their bond preserves a wary peace—but as each seeks to fulfill their own ambitions, their delicate truce begins to crack. Soon the colonists and Powhatans are locked in battle, and Pocahontas must choose between power and servitude—between self and sacrifice—for the sake of her people and her land.
