This children's book is wonderfully illustrated. It has an awesome plot to draw the reader into the story. This book has very beautiful and colorful pictures. Unlike some Children's books, this book is not just animated and fun but it helps to give moral lessons about peer pressure and drugs in a way that children are easily able to understand. In addition, it introduces the child into the concept of God and the importance of prayer. Something that most of us would agree is so needed for all of our children and students. This book is a fantastic book for children of all ages and can be used by Teachers, Parents, and others that work with children. This book should be apart of any Children's Library and in every home in America. Please don't miss out on an exciting opportunity to get your's today.
