## **Age of Dead: Rise of Rot (Volume 1)** K.B. Brenner

The kingdom of Solumeran is faced with a threat not seen in many years. An ancient disease is spreading rapidly once more and sparing none who become infected. Rot is what the disease has become known as and its victims aptly given the name rotters. The disease kills its host and then brings them back from the dead with an insatiable hunger for the flesh of man. The noble families of Solumeran must unite if they hope to thwart the rising rotter numbers. Otherwise, it could mark the end of an age and the beginning of a new one, the Age of Dead. Some will join together, but others will seize the opportunity to conspire against the throne. It is a kingdom in chaos with death hiding in every shadow as their existence teeters on the brink of extinction. Heroes must emerge if they have any hope at halting the Rise of Rot.
