**** Warning **** This book is intended for those over 18 years of age due to mature and sexual content.

Have you ever wondered what it's like on the other side of the lights? On the other side of the camera? Better be careful what you wish for.

Daphne Baker is a struggling designer living in a third floor walkup that she can barely afford in Tribeca. When she has the opportunity of a lifetime to travel to L.A. and meet with a world-renowned designer interested in her work, the weekend leads to her surprisingly meeting one of the most famous men in the world.

He's sexy, he's talented, he's rich, he's got it all, right?

Colton Webb is only thirty and yet he's on the verge of becoming "washed out," having seen it all and done it all with the most famous of the in crowd. He's the quintessential Hollywood bad boy. Nothing surprises him anymore, nothing seems real.

That is, until he meets Daphne.

Could she be just what he needs to help find himself again, to find something he never thought existed outside the blockbuster films he makes? To find something... real?

They come from two different worlds, from two very different places. Can she find her way through the chaos to see him for more than the carefully constructed publicity machine he's been made into? Can she hold her own in The "A" List crowd he leads? Is he worth it?

Like the ending of every one of his mega successful movies, will Colton and Daphne find their real life happily ever after, or will it be a tragic love story gone wrong?

Love's safe when watching it play out on screen. It's something very different when you're living it. Daphne's about to find out exactly what it means to be a part of The "A" List. Can she find a way to stay true to herself along the way, or will she end up like the rest of them?

Preorder your copy today and be one of the first to find out, in this full length stand-alone novel with NO CLIFFHANGER. All preorders will include a bonus chapter of book 2 in The "A" List series, THE HARDER THEY FALL.
