Captured And Ravaged By The Vikings: First Time Viking Historical Romance Elle London

She closed her eyes tightly and moaned shamelessly as his muscular arms picked her up and pressed her against the other Viking, so that she was stuck in between, helplessly awaiting their next move...

Elizabeth is a woman of good standing, daughter to the Duke of Saxton. Not that it means anything to the Vikings she finds herself in the hands of.

Elizabeth is an innocent, untouched woman who's life changes as soon as she's captured. She will be taken *rough, unprotected*, and by *multiple men* as she leaves her old life behind and gives in to the overwhelming pull of her own carnal desires.

The only question is - when it's all said and done, will she even want to go back to her old life?
