Unearthed and held together in a lithowrap smythe sewn cover, complete with authentic cowboy cartoons by Wally Badgett, Baxter s latest collection of quips, quotes and afterthoughts has surfaced!

Cave Wall Graffiti from a Neanderthal Cowboy packs 160 pages and includes chapters covering subjects like, Cow Bidness, Equisistitation, and Electamony.

From the author: Sometimes artists or poets create a picture that sticks in your mind; a pithy phrase, a soaring exhilaration or a profound enlightenment. Cave Wall Graffiti is a distilled collection of meandering thoughts, mind puzzles and word pictures that have stuck to the windshield of my brain like colorful bugs that stain the tinted glass.

They might have been forgotten had I just washed them off. But by including them in my Neanderthal Cowboy version of 160 page Cave Wall, I have given them a new half-life.

With the help of Wally Badgett, who can draw with one hand tied behind his back, I am able to walk that fine line that runs along the edge of common sense.

If you buy the book and don t like it, please return the unused portion and we will return the unused portion of your money.
