New York Times bestselling author Jennifer Crusie teams up with *USA Today* bestselling author Bob Mayer to write a sizzling, high-octane romantic adventure about a straight-talking woman and a straight-shooting man...

Lucy Armstrong is a director of television commercials who's just been recruited to finish a four-day action movie shoot. But she arrives on the set to discover that the directing staff has quit, the make-up artist is suicidal, the stars are egomaniacs, the stunt director is her ex-husband, and the lead actor has just acquired as an advisor a Green Beret who has the aggravating habit of always being right.

Green Beret Captain JT Wilder had thought that hiring on as a military consultant for a movie star was a good deal: easy money and easier starlets. Instead he has to babysit a bumbling comedian, dodge low-flying helicopters, and resist his attraction to a director who bears a distracting resemblance to Wonder Woman. Then the CIA calls and he realizes that somebody is taking "shooting a movie" much too literally.

Full of suspense and humor, non-stop action and fast-paced dialogue, *Don't Look Down* is the perfect blend of male and female, adventure and romance, Mayer and Crusie.
