Author's Note: This book does not end in a cliffhanger. The story comes to a definite end. But not all endings have to be happily ever after. Don't worry, the characters do get their HEA, but sometimes characters have to go through hell before they can get out of their own way and realize happiness is standing right in front of them. It's the journey that's so fun to witness. So don't let the ending stop you from reading Good Karma and the Strong Karma Trilogy. If you like erotic heat and intense chemistry between your characters, and you enjoy watching characters grow and evolve beyond their painful pasts, this trilogy is definitely for you.

NOTE: This book contains strong sexual content and erotic elements.
