# yeah, shut up.

*Gene Kendall*

**yeah, shut up.** Gene Kendall

In the previous century, young kids deluded themselves into thinking "musician" was a viable career path. Follow two kids from Who Cares, Alabama as they form a band, experience their big break, release an album, and disappear into obscurity. All the fun you'd ever hope to find in a fictitious account of a 1990s alt-rock band almost going mainstream. If you still think you missed the train to Mars, if you miss the lands of green and skies of blue, this could be the novel for you.
