Gene Durr's educational, stirring, and highly informative book *Always Growing in the Faith* is so much more than a series of fifty-two lessons on the Bible and the wonders of Christianity, developed for his adult Christian students. It is a continuum of one man's spiritual growth as he teaches and shares his love of Christianity. Whether the author is lecturing on the epiphany, the Philippians, the Transfiguration, or the everlasting joys of the Christmas story, the lessons are filled with fascinating information taken from today's news, the quotes of respected authorities, as well as the ruminations and musings of religious figures from centuries past. Whichever lesson you read, whether in chronological order or not, you will find stories and allegories pertinent to your Christian life. This book is a blessing for all who believe, an inspiration to all who seek to learn, and a guide for those who teach all subjects Biblical.
