John Milton

## Paradise Lost (Oxford World's Classics) John Milton

From almost the moment of its publication in 1667, *Paradise Lost* was considered a classic. It is difficult now to appreciate how audacious an undertaking the epic represents, and how astonishing its immediate and continued success was. Over the course of twelve books John Milton wrote an epic poem that would "justify the ways of God to men," a mission that required a complex drama, the source of which is both historical and deeply personal. While the struggle for ascendancy between God and Satan is played out across hell, heaven, and earth in the work, the consequences of the Fall are all too humanly tragic, with pride, ambition, and aspiration being the motivating forces.

In this new edition derived from their acclaimed Oxford Authors text, Stephen Orgel and Jonathan Goldberg discuss the complexity of Milton's *Paradise Lost* in a new introduction. They contextualize Milton and his poem, discuss its structure and language, and provide a summary of critical responses to the poem since its initial publication. They also include on-page notes to explain the poem's language and allusions. This modernized edition of one of the most influential works in the English language will truly bring to light Milton's genius for today's reader.

This book can be one of one step for you to get success. This publication offer you information that maybe your friend doesn't recognize, by knowing more than other make you to be great individuals. So , why hesitate? We need to have Paradise Lost (Oxford World's Classics).

#### **John Silver:**

As a university student exactly feel bored in order to reading. If their teacher requested them to go to the library or even make summary for some book, they are complained. Just tiny students that has reading's internal or real their interest. They just do what the professor want, like asked to go to the library. They go to there but nothing reading very seriously. Any students feel that examining is not important, boring and also can't see colorful photos on there. Yeah, it is to become complicated. Book is very important for yourself. As we know that on this period of time, many ways to get whatever you want. Likewise word says, ways to reach Chinese's country. So , this Paradise Lost (Oxford World's Classics) can make you sense more interested to read.
