The Copper Mountain Rodeo has returned to Marietta and cowboy reputations aren't the only thing at stake...

Claim Me, Cowboy

When Summer Nichols inherited half of the Circle W Ranch, she didn't know her rodeo-riding, bad boy ex-boyfriend came with the deal. But sure enough, Tyler Warren, the man who broke her heart and left her in Marietta years ago, is back and living on the ranch again, claiming he wants no trouble. He's certainly not back to rekindle their decade ago romance.

Ty only wants what's rightfully his, and then he's gone, but not even family secrets and Summer's deep betrayal can keep him from remembering the good times he had with the preacher's sweet, beautiful daughter, once upon a time. Summer is more woman than he expected...

Will Ty seize his second chance and finally claim all that he's lost, including Summer's love once again?

Hold Me, Cowboy

Marietta home town girl Kendall Dixon knows who she is and what she wants, even if the stubborn and slow-smiling cowboy who owns her heart is long gone from Montana.

Rancher Brent Ashton returns to Marietta to care for his sick mother. Haunted by the death of his father, he is determined to save his derelict home and resist rekindling the romance with the only girl he's ever loved so that she doesn't sacrifice her dreams for him.

But the shy and sweet Kendall he left behind has become a strong and determined woman. A woman who won't let her cowboy walk away for a second time.

Keep Me, Cowboy

Rodeo cowboy Cole McArthur has spent the last ten years running from Marietta, Montana, from his father's expectations, and from the only woman he's ever loved. But now his past is at his front door, begging for his help.

Jess Clark doesn't want to face the only man who's ever claimed enough of her heart to break it, but her foster family needs their prodigal son home, and she owes them too much to not make that happen. Seeing Cole for the first time in a decade unlocks the kind of desire she's only ever felt for him, and never acted on with anyone.

Back in Marietta facing family betrayal and family secrets, heat explodes between them, and feelings buried long ago rise to the surface. But can Jess convince this wandering cowboy that his home is with her?

Choose Me, Cowboy

Marietta Kindergarten teacher, Kate Canaday, is doing perfectly well without the ex-love of her life mucking

up her intention to stay gloriously uncommitted. So what if she's become—according to her sisters—a serial dater? If pro-bullrider Finn Scott's untimely defection six years ago taught her anything, it was that men come with an expiration date. And she's more than happy to oblige them.

Trouble is, the sexier-than-ever Finn, now a devoted single father, has just moved to Marietta with his adorable five-year-old twins. He's in an unexpected custody battle with his ex and too proud to ask Kate for help in making his crazy life look stable. But Kate sees helping him as a way of sealing off the hurt from her past once and for all. If they can just keep their hands off each other. After all...expiration date, right?

Not if Finn has anything to say about it...
