The Eternal City: Rome & the Origins of Catholic Christianity Taylor R. Marshall

Read this book if you have ever wondered why the Catholic Church specifically claims to be Roman? It would seem that the Church of Jesus Christ would be centered in Jerusalem, the capital of the Jews, since Christ died and rose again in Jerusalem. Catholic theologian Taylor Marshall, Ph.D. provides a layman's account of how Christ chose the Rome as an instrument of redemption for the nations. Beginning with the Old Testament prophets, Dr. Marshall explains how the Messiah would come and assume reign over the nations through the Roman Empire. This book provides an exciting and popular account establishing Rome as 'the Eternal City' of Christ the King.
