The Witness of Jesus, Paul and John: An Exploration in Biblical Theology Larry R. Helyer

In this practical textbook Larry Helyer introduces you to the goals and practice of biblical theology and the problem of the unity of the Bible. He then explains two evangelical approaches to biblical theology-- dispensational and covenant theology. In the heart of the book Helyer turns to three major witnesses of the New Testament: Jesus, Paul and John. In these three witnesses he finds the climax of the biblical message and the key to unlocking the message of the Bible. Here is a book that introduces students to the big questions in evangelical biblical theology and then takes them into the heart of the New Testament. Students will gain an appreciation for biblical and New Testament theology, and how the New Testament unlocks the central message of Scripture. This clearly written survey will equip students for a lifetime of studying Scripture.
