Sharon Dogar

Annexed Sharon Dogar

Everyone knows about Anne Frank and her life hidden in the secret annex – but what about the boy who was also trapped there with her?

In this powerful and gripping novel, Sharon Dogar explores what this might have been like from Peter's point of view. What was it like to be forced into hiding with Anne Frank, first to hate her and then to find yourself falling in love with her? Especially with your parents and her parents all watching almost everything you do together. To know you're being written about in Anne's diary, day after day? What's it like to start questioning your religion, wondering why simply being Jewish inspires such hatred and persecution? Or to just sit and wait and watch while others die, and wish you were fighting.

As Peter and Anne become closer and closer in their confined quarters, how can they make sense of what they see happening around them?

Anne's diary ends on August 4, 1944, but Peter's story takes us on, beyond their betrayal and into the Nazi death camps. He details with accuracy, clarity and compassion the reality of day to day survival in Auschwitz – and ultimately the horrific fates of the Annex's occupants.

From reader reviews:

Joycelyn Chambers:

Here thing why this kind of Annexed are different and dependable to be yours. First of all reading a book is good nevertheless it depends in the content of computer which is the content is as delicious as food or not. Annexed giving you information deeper and different ways, you can find any book out there but there is no publication that similar with Annexed. It gives you thrill reading through journey, its open up your personal eyes about the thing in which happened in the world which is perhaps can be happened around you. It is easy to bring everywhere like in playground, café, or even in your technique home by train. Should you be having difficulties in bringing the published book maybe the form of Annexed in e-book can be your alternative.

James Bergeron:

Is it you who having spare time and then spend it whole day by watching television programs or just lying down on the bed? Do you need something totally new? This Annexed can be the reply, oh how comes? A fresh book you know. You are and so out of date, spending your free time by reading in this new era is common not a geek activity. So what these books have than the others?

Stacey Thompson:

Do you like reading a book? Confuse to looking for your favorite book? Or your book had been rare? Why so many question for the book? But any people feel that they enjoy to get reading. Some people likes reading through, not only science book and also novel and Annexed as well as others sources were given information for you. After you know how the truly amazing a book, you feel want to read more and more. Science guide was created for teacher or perhaps students especially. Those books are helping them to add their knowledge. In some other case, beside science e-book, any other book likes Annexed to make your spare time considerably more colorful. Many types of book like this.

Gretchen Clark:

What is your hobby? Have you heard in which question when you got college students? We believe that that query was given by teacher for their students. Many kinds of hobby, Everyone has different hobby. And you also know that little person including reading or as examining become their hobby. You need to understand that reading is very important as well as book as to be the factor. Book is important thing to provide you knowledge, except your teacher or lecturer. You find good news or update regarding something by book. Numerous books that can you go onto be your object. One of them are these claims Annexed.
