What if the person who stole your heart wasn't who you thought they were?

When my parents passed away, I grew up fast. Learning to stand on my own two feet has been a challenge, but I'm making it... my way. I make no apologies for the path I've chosen. My choices have served me well, but no one knows the real me.

Except one man.

He's a mystery to me. He's controlling, demanding, and he has me wrapped around his little finger. Anything he wants, I'll give it to him. The hours we share together aren't about love. It's just sex. Hot, dirty, passionate sex. It was never supposed to be anything more than that.

Until everything changed.

Now, I'm more confused than ever. The more I learn about him, the less I seem to understand. What I do know is that I'm falling, and I have the feeling when I land, it's going to hurt.
