This book sets out governing statutes and rules at the beginning of each chapter and includes sample litigation documents where possible. The casebook begins with discussions of who to sue, where to sue, pleading requirements, discovery, and trial strategy. It then moves into substantive legal issues. The Third Edition includes new material on pharmaceutical litigation under the Hatch-Waxman Act and the most developments in the law of invalidity and infringement. The book next addresses issues surrounding remedies, including injunctive relief (with a discussion of the Supreme Court's eBay decision), contempt proceedings, and damages. Also included are post-trial matters including jury instructions, special verdict forms, the preclusive effect of final judgments, judgment as a matter of law, and new trial motions. Finally, the book covers the appeal process and reexamination and reissue proceedings.
