Seven Conversations with Jorge Luis Borges

Fernando Sorrentino

Seven Conversations with Jorge Luis Borges Fernando Sorrentino

These wide-ranging conversations have an exceptionally open and intimate tone, giving us a personal glimpse of one of the most fascinating figures in contemporary world literature.

Interviewer Fernando Sorrentino, an Argentinian writer and anthologist, is endowed with literary acumen, sensitivity, urbanity, and an encyclopedic memory of Jorge Luis Borges' work (in his prologue, Borges jokes that Sorrentino knows his work "much better than I do"). Borges wanders from nostalgic reminiscence to literary criticism, and from philosophical speculation to political pronouncements. His thoughts on literature alone run the gamut from the Bible and Homer to Ernest Hemingway and Julio Cortázar. We learn that Dante is the writer who has impressed Borges most, that Borges considers Federico García Lorca to be a "second-rate poet," and that he feels Adolfo Bioy Casares is one of the most important authors of this century. Borges dwells lovingly on Buenos Aires, too.

From the preface:

For seven afternoons, the teller of tales preceded me, opening tall doors which revealed unsuspected spiral staircases, through the National Library's pleasant maze of corridors, in search of a secluded little room where we would not be interrupted by the telephone... The Borges who speaks to us in this book is a courteous, easy-going gentleman who verifies no quotations, who does not look back to correct mistakes, who pretends to have a poor memory; he is not the terse Jorge Luis Borges of the printed page, that Borges who calculates and measures each comma and each parenthesis.

Sorrentino and translator Clark M. Zlotchew have included an appendix on the Latin American writers mentioned by Borges.

Fernando Sorrentino is an Argentine writer born in Buenos Aires in 1942. His works have been translated into more than twelve languages.

Clark M. Zlotchew is a professor of Spanish at SUNY Fredonia. Some of his areas of specialization: Jorge Luis Borges, 20th century Spanish-American Fiction, Literary Translation, and Literary Interview.

From reader reviews:

Phyllis Baudoin:

Reading a guide tends to be new life style in this era globalization. With studying you can get a lot of information that may give you benefit in your life. Having book everyone in this world can certainly share their idea. Guides can also inspire a lot of people. A lot of author can inspire their particular reader with their story or perhaps their experience. Not only the storyplot that share in the guides. But also they write about the ability about something that you need example. How to get the good score toefl, or how to teach children, there are many kinds of book that you can get now. The authors on earth always try to improve their expertise in writing, they also doing some analysis before they write on their book. One of them is this Seven Conversations with Jorge Luis Borges.

Ronald Hill:

Beside this Seven Conversations with Jorge Luis Borges in your phone, it can give you a way to get more close to the new knowledge or information. The information and the knowledge you can got here is fresh from the oven so don't always be worry if you feel like an outdated people live in narrow small town. It is good thing to have Seven Conversations with Jorge Luis Borges because this book offers to you readable information. Do you at times have book but you seldom get what it's interesting features of. Oh come on, that wil happen if you have this in the hand. The Enjoyable option here cannot be questionable, similar to treasuring beautiful island. So do you still want to miss it? Find this book and also read it from at this point!

Albert Parks:

As a university student exactly feel bored to help reading. If their teacher asked them to go to the library or to make summary for some e-book, they are complained. Just little students that has reading's spirit or real their passion. They just do what the professor want, like asked to the library. They go to generally there but nothing reading critically. Any students feel that reading through is not important, boring as well as can't see colorful images on there. Yeah, it is to be complicated. Book is very important in your case. As we know that on this period, many ways to get whatever we would like. Likewise word says, ways to reach Chinese's country. Therefore , this Seven Conversations with Jorge Luis Borges can make you sense more interested to read.

Dolly Taylor:

What is your hobby? Have you heard in which question when you got pupils? We believe that that problem was given by teacher for their students. Many kinds of hobby, All people has different hobby. Therefore you know that little person just like reading or as reading through become their hobby. You need to know that reading is very important in addition to book as to be the issue. Book is important thing to increase you knowledge, except your teacher or lecturer. You get good news or update concerning something by book. Numerous books that can you choose to use be your object. One of them is actually Seven Conversations with Jorge Luis Borges.
